Hybrid Program Liability Waiver

While participating in events held or sponsored by the Harvard Mock Trial Association (“HMTA”), including the Angela R. Mathew Harvard Mock Trial High School Seminar Program (“Seminars”), consistent with Harvard University, Boston, Massachusetts state, and CDC guidelines, participants are encouraged to practice hand hygiene, “social distancing” and wear face coverings to reduce the risks of exposure to COVID-19. All individuals in attendance are also required to submit proof of vaccination prior to their visit unless otherwise informed by HMTA or Seminars directors. Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, HMTA has put in place preventative measures to reduce the spread of COVID-19. However, HMTA cannot guarantee that its participants, volunteers, partners, or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in HMTA events and/or other face to face programming. By attending an HMTA/Seminars event, you certify that you do not fall into any of the following categories:

1. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among others;
2. Individuals who have traveled at any point in the past fourteen (14) days either internationally or to a community in the U.S. that has experienced or is experiencing sustained community spread of COVID-19; or
3. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

DUTY TO SELF-MONITOR:

All participants and volunteers agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and, **contact directors of HMTA and/or Seminars at harvardmockseminars@gmail.com** if he/she experiences symptoms of COVID-19 **within 14 days before or after** participating in or attending Seminars, as well as **at any point during the Seminar Program**.
